Cementing Dreams

DSR Group was established in 1988 to create homes where people could find their personal space to unwind and retreat from the world. Since then, the group has grown to be one of the leading real estate developers, serving the needs of a discerning clientele.

Today, DSR group commands over two decades of construction expertise. The group has completed several projects in Bangalore and Hyderabad, pleasing the customer with varied needs and tastes.

Catering to individual and institutional buyers, DSR is well recognized for designing exclusive properties. Designs from leading architects, to the best of building materials, to the most reliable and skilled labor pool- every project, be it residential or commercial complex, is built using the best skills and highest specifications. The result. Quality buildings in prime locations. Buildings that are highly rated, whose value often appreciates faster than others in the same area.

Every project of DSR group is the growing testimonial of its basic approach to upholding excellent standards in design and construction with professionalism, quality control and timely delivery.

Green Vista

DSR Group presents its newest project in Bangalore. Green Vista. Located near ITPL which is a stones throwaway from major IT parks such as ITPL, Salarpuria, GR Tech Park, Brigade Tech Park, and many more, all in the proximity of ITPL.

Your home that is a short distance from your office, should you have to work late. Green Vista assures you that you are close to your family. Your family will live in the cleanest of lanes, the most beautiful of blocks, in this bliss of togetherness, lies the heart of Green Vista, where you can watch your children grow up and not imagine.

The complex has a swimming pool, gymnasium, intercom facility, club house landscape garden & children's play area. Green Vista is made up of 171 apartments on 4 floors with a choice of 2 and 3 bedrooms.
